

**Keep the Port Angeles Farmers Market Growing
Become a Market Booster!**

Over the past year, you've probably noticed – the Port Angeles Farmers Market has been growing. We now have more vendors, more product variety, and a downtown covered space creating a more vibrant marketplace to shop for locally produced food and wares.

Unfortunately, vendor fees and grants do not pay for all our expenses. We need your help in order to continue the success we have seen over the past year. We are inviting you to become a Market Booster.

As a Market Booster your contribution will support the following:

- Year round access to locally grown food and handcrafts,
- Small farms thriving on the Peninsula,
- A festive community gathering in Downtown Port Angeles every week.

Please send your financial contribution to:
Port Angeles Farmers Market PO Box 336 Port Angeles, WA 98362
Thank you for your generous support
