**Keep the Port Angeles Farmers Market Growing  
Become a Market Booster or a Non-Vendor Market Member!**

The Port Angeles Farmers Market is a thriving community event, and we are always striving to improve! New vendors, more product variety, and a covered space downtown all contribute to a vibrant marketplace where you and other community members can shop year round for locally produced food and wares.

Vendor fees, sponsorships, fundraisers, and grants do not cover all of our expenses. We need your help in order to continue the success we have seen over the past several years. We are inviting you to become either a Market Booster or a Non-Vendor Market Member.

As a Booster or a Non-Vendor Market Member, your contribution will help support the following:

- Year round access to locally grown food and handcrafts
- Quality small-scale agriculture on the Peninsula
- A festive community gathering place in Downtown Port Angeles

Do you want to become involved in helping decide the market's future? If your donation is \$75 or more you are eligible to become a Non-Vendor Member of the Port Angeles Farmers Market for the calendar year! Becoming a member gives you voting rights at our annual meeting!
