

Valentine's Day

Toy Drive

“Stuffed animals have been shown to soothe young children. Studies show that a child who is feeling sad will find benefit from embracing a stuffed animal because the texture offers comfort.”

Please bring your donation of new or gently used stuffed animals to the Elwha Klallam Heritage Center before February 19th, 2018.

401 E First St

Port Angeles WA 98362

(360)417-8545

**Donations to benefit local organizations such as Olympic Medical Center, children in foster care, Indian Child Welfare, Serenity House, and first responders in our community.*
